## UTILITY TRAILERS

### **FULLY GALVANIZED WELDED TUBULAR FRAMES**

Load Rite has redesigned its utility trailers to combine the best of features. Galvanized tubular frames far outlast paint. Strong A-frame tongue. Plank deck for ultimate strength. Integrated siderails. Convenient mesh ramp. Large 15" wheels. Full 2,999 lb GVWR. Available with 5'x8' or 6.5'x12' deck. No other manufacturer can match our specs. It's all there.
